ATS FAQs

1. **Can you help with my JC classes?** Absolutely. If you're not already part of a program at your high school that covers all of your JC fees, we can help cover them.
2. **Can ATS help with my school supplies?** Sure can! Contact us for details.
3. **Are there any workshops coming up?** Yes! We have a virtual workshop on the A-G requirements planned on Wednesday, December 20, from 5:30-6:30. This workshop will cover the same content as the November presentation, so no need to attend both unless you want to.
