### November Updates

We can't believe it's November! The fall is flying by and we still have so much left to do before Winter Break. It's a busy time for all our students, but especially our seniors! Keep reading for more information and answers to some frequently asked questions.

- Last month, Ms. Penning emailed a survey to all current students to ask for input in this year's programming. If you haven't filled it out yet, check your email and be sure to make your voice heard!
- Do you want to be part of an upcoming newsletter or have an update you'd like to share with the whole program? Email your updates or photos to Ms. Penning to be included in future newsletters.

### ATS FAQs

1. **Can the program pay for my AP tests?** No, we can't pay your AP test fees; however, we can provide you with verification that you're an ATS student, which means you're eligible for a fee reduction. Email Ms. Penning for more information.
2. **Can ATS get me a fee waiver for the SAT/ACT?** Yes. College Board is in the process of making fee waivers more accessible directly through your online account, but you can email Ms. Penning for help.
3. **Can you help with my JC classes?** Absolutely. If you're not already part of a program at your high school that covers all of your JC fees, contact Ms. Penning to discuss.
4. **Can ATS help with my school supplies?** Sure can! Contact Ms. Penning for details.
5. **Are there any workshops coming up?** Yes! We have an in-person workshop on the A-G requirements planned at Piner High School for anyone interested in attending (see attached flyer). A virtual version of the workshop will be coming soon.

Keep those questions coming!

Are you a high school student who's interested in taking classes at SRJC, but not sure where to start? Visit <https://admissions.santarosa.edu/high-school-dual-enrollment-students-0> or contact Ms. Penning.
