This checklist is for the Webform application process. If you are not completing your application via this webform, then you can use the links on our website at <https://precollegiate.sonoma.edu> to select the program you wish to apply to and select “Apply to Program” to get pdf versions of the application documents.

The Webform application has **FIVE** forms to complete: (1) Application Information (2) Short Answers (3) Income Verification (4) Counselor Recommendation, and (5) Teacher Recommendation. **All documents except for the Short Answers must be signed by a parent/guardian.** The application is separated so that if you cannot complete the application all at once, you can come back to complete the other forms.

When you submit a form, you will receive an email with the Subject “Please confirm your signature on UB...” where you will have to click the “Confirm my email address” link within the document. A webpage will pop open in your web browser letting you know your signature has been verified. You will know you have completed the application process when you have received **FIVE** different emails and verified your signature **FIVE** times.
