WELCOME TO OUR

## December 2025 Newsletter

### Senior Friendsgiving

In November, we were lucky to take a short break and spend some time celebrating with our wonderful seniors! As they wrapped up their college applications, we had the chance to slow down, enjoy some good food, and appreciate great company at our Senior Friendsgiving Celebration!

We are so proud of all the hard work our seniors have put in this semester!!

A huge thank you to **The Hub at SSU** for welcoming us into your space! We had a fantastic time!

### Tutoring Successes

Throughout the semester, our tutors have been working hard to support our students and ensure they stay on track and succeed in their classes! Whether it was math, AP courses, or UC Personal Insight Questions, our students took full advantage of what our tutors had to offer. Here are some of our highlights:

- ★ Seniors dedicated time in tutoring to draft and finalize their PIQs, gaining tips on revising, strengthening, and condensing their writing.
- ★ Juniors and Seniors worked with our tutors to build study plans for upcoming AP exams, and deepen their understanding of difficult topics.

We are proud of our students for taking full advantage of what UB has to offer, and are always happy to support them however we can!
