September Recap

This Septemeber we ended the month off right by hosting our first workshop of the school year! We hosted our SAT Workshop for our 10th and 11th graders at SSU and were able to enjoy some lunch with our students at The Kitchens. It was good seeing the students that attended and hope to see some new faces at our future workshops!

This month we have also been meeting with all your school counselors and working closely with them to schedule school visits. Expect to see us at your schools very soon!
