## October Recap

October was an exciting and productive month for our program! We hosted a successful college application lab with our high school seniors, helping them take important steps toward their future goals. We also kicked off our first round of school outreach visits, connecting with many of our students across different schools. It was wonderful to see so many familiar faces and continue building strong relationships as the year moves forward!

## What's happening in November?

We will continue doing Outreach in November so students and parents please keep an eye out for the dates. Advising hours during Thanksgiving week will be extended for Seniors working on last-minute details on college applications!  
**Book; Monday - Wednesday, Friday from 9 am - 3 pm!**

## Reminders

- The **SRJC application** officially opened **November 1st**, be sure to submit yours as soon as possible!
- If you haven't turned in your student packets, please complete and submit them soon.
- Additionally, don't forget to schedule a 1-on-1 meeting with your advisor to stay on track and get any personalized guidance you may need.
- College Application voucher sign ups have been sent out via email! Sign up if you need your application fee's waived!

## Seniors Important Deadlines

College application season is coming to an end, so make sure to finish and submit your applications soon! Keep in mind that Common App deadlines vary by school, so double-check each college's specific due date to ensure you don't miss any important deadlines.
