November Recap

This past month, we have been helping Seniors with their college applications and UC personal insight questions. We hope that we were able to provide enough support to everyone. Thank you

for reaching out to us and we are proud to see what you've done.

Congratulations on submitting those CSU and UC applications. Don't forget to reach out for any EOP and CommonApp application questions.

What's happening in December?

We are finishing up our last few School visits this year. Thank you to everyone who has joined us this semester at Outreach. It's really nice to match a face to a name. We hope to get to see more of you in the Spring.

We are currently planning our Spring Break Field Trip to LA from March 16th to the 20th! We will send more information soon.
