SONOMA

Sonoma State University  Pre-Collegiate Programs

January Recap

Upward Bound and ATS hosted a FAFSA Workshop for seniors and their families to help them navigate the financial aid process. Along with the workshop, we held an Open House where students learned about the history of Pre-Collegiate Programs at Sonoma State University and had the chance to tour our new office on campus and get a feel for the space.

Later in the month, the Outreach Coordinators hosted a Newly Admitted Orientation for students who joined the program after the summer. During the orientation, students met their advisor, learned more about what to expect from the program, and had time to ask questions.

What's happening in February?

We're excited to kick off Outreach soon with engaging topics, student check ins, and plenty of support for their academic needs. Keep reading for about upcoming Outreach school visits dates.

PCP will be hosting a TRIO Student Leadership Conference at SSU on 2/18, where we'll celebrate TRIO, highlight civic engagement, and create space for students to grow as leaders. Sign-ups and more information will be sent out soon.
