A message from your UBP Team:

Hello November!

Hard to believe we're already nearing the end of the semester! As finals approach, remember that our tutors are here to help you. Don't wait until the last minute!

The classroom is open during lunch and after school for anyone who needs a quiet place to study or catch up on assignments.

Seniors, this is your reminder that college application deadlines are quickly approaching! If you haven't submitted your applications yet, make sure to finish them soon. And don't forget — application fee waivers are available for those who qualify!

**TRIO
WORKS!**

Fall Saturday Academy

This past month, UBP closed out our last Saturday Academy of the semester! A huge thank-you to all of our students for showing up and giving it their all. Your hard work and dedication on those early mornings truly paid off.

Saturday Academy will be back in the spring with more opportunities to learn, catch up, and get ahead. Stay tuned for updates and details after winter break

Special thanks to the SSU Upward Bound Programs for having us! We're excited for future collaborations.

ATSS Visit

Our friends from ATSS will be visiting on November 12th during lunch! The classroom will be closed during that time, but if any of your friends might be interested in ATSS, you're both welcome to join us for the visit and learn more about what they offer!
