### Spring Academy

We're happy to have wrapped up our 2026 Spring Saturday Academy workshops in April, ending on a high note with our Masquerade Ball end-of-semester celebration. It was wonderful to see all of our students one more time before summer and to celebrate the hard work and dedication they've shown throughout the year.

With the school year wrapping up, we are excited to host our 2026 Graduation on May 29, 2026. This year, we're especially excited to hold a joint ceremony, where we'll celebrate both our graduating seniors and students from Academic Talent Search, Sonoma.

More details to come soon!

### Summer Academy & Residential

Summer Academy is right around the corner, and we're excited to once again bring back the residential component of our program! Starting in June, students will be on campus participating in a variety of engaging and educational workshops designed to help them prepare for the upcoming school year.

We look forward to welcoming our students back to campus and supporting them through this important transitional time.
