October Student Spotlight: Kelsey Padilla Lara

Kelsey is a freshman and new to UBP this year. She graciously agreed to be our first Student Spotlight and sat down with Estefany to talk about the program.

- Why did you apply to Upward Bound?
"I chose Upward Bound because my teacher and brother recommended it. It's close to home so it's easier to communicate with the Director. Being able to find everything and ask her something if needed."
- What do you like about UBP?
"What I like about UBP is the community, the little small family we have as freshmen. Because we help each other out, we make sure that we have our things done. They provide a lot of stuff for us which is helpful for people like me."
- What has UBP encouraged you to do?
"UBP has encouraged me to keep myself healthy, have time management, and encouraged me to think about my direction after high school."
- How has UBP helped you?
"UBP has helped me with my homework, with any questions I have, with my problems related to school or personal. It has helped me choose the right classes and is helping me make the right decisions after high school."

October Shoutout: This month's shoutout goes to senior Estefany Godoy, who helped put together our inaugural newsletter. Great work!
